

# County of Scioto

**PORTSMOUTH, OHIO**

OFFICE OF  
SANITARY ENGINEER  
DARREN LeBRUN, P.E.

OFFICE MANAGER  
JENNIFER BOGGS

602 SEVENTH STREET  
ROOM 104 COURT HOUSE PHONE 355-8249

## **RULES, REGULATIONS, AND SPECIFICATIONS**

Any person wishing to tap into a Scioto County Sanitary Sewer System shall comply with the following rules:

1. Complete an application with sketch at the Sanitary Engineering Department, Room 104 of the Scioto County Courthouse, 602 Seventh Street, Portsmouth
2. Pay a \$375 tap-in fee
3. Pay a \$25 permit and inspection fee
4. We will then locate your tap and furnish any additional information we have on the tap
5. The owner of each house is responsible for the installation and expense of the building sewer, from the building to the sewer tap or public sewer
6. No person shall connect any storm water, roof runoff, surface water, or subsurface drainage to any sanitary sewer
7. Approved pipe material – PVC #3034, Schedule 40 #2665 or better
8. All joints shall be sealed against leaks
9. Minimum size shall be four inch (4") pipe
10. Minimum slope shall be one-eighth inch (1/8") per foot
11. Minimum depth shall be two foot (2') of cover
12. Notify the Sanitary Engineer, 355-8249 when the building sewer has been laid and ready for inspection, before it is covered or back filled. No inspections will be done until the application has been made and fees paid
13. Excavation shall be guarded with barricades to protect the public
14. Any person failing to comply with these rules shall be subject to legal action by the County Prosecutor

If you have any additional questions, please call the Sanitary Engineering Department at 355-8249

FOR INSPECTION 355-8249
